# FUTURE READY WORKSPACE

Right in the heart of ARC Oxford, Ascent brings ambition and innovation together. This new 92,000 sq ft building has been purpose-built to give pioneering teams the space to collaborate, experiment and grow.

Whether you need labs, offices, or a mix of both, the flexible design adapts to you. And with great amenities and a thriving campus community on your doorstep, Ascent isn't just a place to work, it's a place to launch what's next.

## Oxford Cowley Branch Line

From 2029 the Government funded Oxford Cowley Rail Station will bring direct train services to Oxford City Centre and London Marylebone from ARC Oxford's doorstep.

Visualisation of Roof Terrace

# SPECIFICATION

Designed to provide the highest quality and full occupational flexibility

Best in class facilities including a café, communal spaces and roof terrace overlooking the campus

# AN INTEGRAL PART OF OXFORD'S WORLD-FAMOUS INNOVATION ECOSYSTEM

The city of Oxford is a life science superpower connecting talent to global impact.

- 193 Oxford University spinouts, the highest intensity in the UK averaging over 17 spinouts per year since 2011\*
- University of Oxford named number 1 university in the world 7 years running\*\*
- Oxfordshire is home to more than 40,000 active companies
- Over £1.4 billion of funding raised by Oxford spinouts in 2021

- Oxford Airport – 20 mins by car
- Heathrow Airport – 45 mins by car
- London Paddington – 80 mins by train
- Birmingham Snow Hill – 70 mins by train
- ARC Clusters & Harwell

\*<https://www.ox.ac.uk/>  
\*\*According to The Times Higher Education (THE) World University Rankings 2023

# LIFE AT OXFORD

## Member of the Future app

The Member of the Future app is available exclusively for ARC members and provides everything you need to make the most of your ARC campus. You can book classes or meeting rooms, enter competitions and find exclusive discounts.

We're improving the functionality all the time. Download the app [here](#).

## Campus culture

At the centre of our campus is its social hub, the Oxford Factory and the Oxford Works. A beautifully designed business lounge, boasting a spacious studio for fitness classes, and a restaurant offering great food and coffee with plenty of space and seating for any number of events, meetings and informal catch ups.

## Campus community

A dedicated community manager helps shape a hand-picked, curated events calendar for the best possible environment all year round. A community square – The Marketplace – with outside seating provides tranquil green space, and a perfect spot for enjoying a morning coffee, community BBQ or street food festival.

# A GROWING INNOVATION CAMPUS

ARC Oxford is a nurturing environment for a community of extraordinary organisations making history at the cutting edges of their industries.

Scan here to view our ARC Oxford video.

"It's been a great experience working with ARC to accommodate Perspectum's Oxford based staff into this newly renovated and modern space. We are looking forward to moving in so that our staff can benefit from all the Park has to offer."

**Perspectum Diagnostics**

"It is an exciting period of growth for OMass Therapeutics as we move to our new premises, bringing all our staff under one roof so we can continue to execute on our plans to discover drugs for previously undruggable targets and, ultimately, bring life changing medicines to patients."

**OMass Therapeutics**

"ARC Oxford is already home to our manufacturing facility known as Oxbox, which is in operation for our viral vector manufacturing activities and also supporting the manufacturing of a COVID-19 vaccine candidate. In March 2020, as our activities and workforce expanded, we took the decision to relocate our corporate headquarters team from our existing HQ to a new office location on the Park. ARC have helpfully accommodated all of our commercial requirements with the new office and we are delighted with the quality of the building and the wider environment."

# SPACE TO CONNECT

## Food and beverage

We have a range of food outlets on campus.

### Oxford Factory Café

The Oxford Factory Café is the beating heart of campus, open 8 am–4 pm serving breakfast, lunch, coffee, and snacks. Expect awesome coffee, friendly service, local produce and a delicious ever-changing menu based on the seasons. The café is available for private functions and offers a range of hospitality packages.

### Oxford Workshop

Our burrito and juice bar sits proudly on The Market Place, and is open daily offering made-to-order burritos, nachos, salad boxes, and more. With a partially covered decked area, this is the perfect spot for an informal meeting or lunchtime catch up with friends.

## Meeting spaces

On campus we currently have the following conference and meeting room facilities available:

### The Market Place

Our green communal space is used for community events, BBQs, playing badminton or for just chilling in a deck chair. The Market Place can be booked for company parties and events.

### Oxford Works

The Oxford Works is our collaborative workspace designed to develop ideas, and network. Our members can book a desk, hunker down in one of our quiet spaces or make confidential calls in video call booths, or conference in our Engine Room event space.

### Innovation Space

We combine the Oxford Works, Engine Room, and Board Room to create an event and conference space, available to ARC members and stakeholders.

# JOIN THE ARC COMMUNITY

Being at ARC Oxford connects you with a community within the Advanced Research Clusters (ARC) portfolio of over 10,000 people and 300+ business, research and academic organisations, spanning life science, healthtech, deeptech, clean energy and digital/AI.

Backed by Brookfield, ARC exists to create world leading clusters for science, technology and innovation. Our community has exclusive benefits including events, summits, training, profile and access to space for away days and science sprints.

Our portfolio includes the Harwell campus, ARC Oxford, ARC West London in Hammersmith and ARC Uxbridge close to Heathrow, and we will be investing in adding millions of sq ft over the next few years.

## HA<sup>W</sup>RWELL

The UK's leading science and innovation campus.
